- 5-Year Factory Warranty

[Find more details in our online catalogue](#)

#### Multiple Exhaust Points

Up to 4 exhaust points connect into one centrally located exhaust fan without the use of adapters or transitions from same-floor on-suite or primary bedroom bathrooms.

#### High Airflow Capacity

Up to 390 cfm at free air (CVS 400A) makes this Series a great fit for both new residential construction projects and light commercial applications.

#### Control Options

Designed for intermittent or continuous operation to meet ASHRAE Standard 62.2.

#### Virtually Silent

Designed to be installed away from the livable area for super quiet operation.
