Energy Efficiency and Certification

The PRO Series fans are HVI and ENERGY STAR® Certified, ensuring they meet rigorous standards for energy efficiency.

Quiet Operation

With noise levels as low as 1.2 Sones for PRO 80 and 2.0 Sones for PRO 100, these fans operate quietly, minimizing disruptions in the environment.

Certifications

Energy Star

Independently certified to meet strict standards for energy efficiency set by the United States Environmental Protection Agency (US EPA) and Department of Energy (DoE).

HVI Certified

HVI certification is a voluntary third-party certification programme to verify performance of residential ventilation products, in accordance with HVI/ANSI consensus test standards. Visit the HVI-Certified Products Directory to learn more
