Noise—or lack thereof.

The fan is located away from the bathroom, ensuring the noise level is minimized. It provides efficient moisture removal with minimum disturbances.

Small grille size

The compact grille's design minimizes its footprint on the ceiling to remain unobtrusive.

Energy Efficiency

This Premium Bath Fan is ENERGY STAR® listed, indicating that it meets strict energy efficiency guidelines set by the Environmental Protection Agency.

2 baths for the price of 1

Dual grille Premium Bath Fan can effectively ventilate two areas of the bathroom or two different bathrooms, simultaneously.

Certifications

Energy Star

Independently certified to meet strict standards for energy efficiency set by the United States Environmental Protection Agency (US EPA) and Department of Energy (DoE).

UL Certified

This product is certified by UL. Representative samples of this product have been evaluated by UL and meet applicable standards.

UL Listed

This product is Listed by UL. UL has rigorously tested and confirmed that this product meets all of their stringent requirements. Search the UL Product iQ directory for more information about listed products at <https://productiq.ulprospector.com/>

HVI Certified

HVI certification is a voluntary third-party certification programme to verify performance of residential ventilation products, in accordance with HVI/ANSI consensus test standards. Visit the HVI-Certified Products Directory to learn more <https://www.hvi.org/hvi-certified-products-directory/>
