High Efficiency

These inline duct fans boast a high efficacy (cfm/W) ratio, which means they can move large volumes of air with minimal energy consumption.

Versatile Installation

Designed for indoor use, these inline duct fans fit seamlessly into false or drop ceilings, offering flexible installation options within conditioned spaces.

Reliability and Durability

These inline duct fans prioritize safety and reliability. They have a 100% leak-free design and built-in thermal overload protection.

High Efficacy

Designed to ensure high-level performance and minimize power consumption to ensure moderate fan efficacy (up to 7 cfm/W).
